

There is Comfort in Understanding.

This booklet was created to give families a realistic idea of what to expect and how to find the information they need in the first few hours, days, and weeks after a loved one's traumatic brain injury, stroke, aneurysm, or anoxic event.

Brain injury survivors and their relatives, doctors, nurses, and other health care experts from a leading catastrophic care hospital have consulted and contributed to the development of this informative booklet. Order yours today.

**Introduction to
Acquired Brain Injury**
